3. ORDERS AND SPECIFICATIONS

3.1 No order submitted by the Buyer shall be deemed to be accepted by the Seller unless and until confirmed in Writing by the Seller.

3.2 The Buyer shall be responsible to the Seller for ensuring the accuracy of the terms of any order (including any applicable specifications) submitted by the Buyer, and for giving the Seller any necessary information relating to the Goods within a sufficient time to enable the Seller to perform the Contract in accordance with its terms.

3.8 Customers requiring full traceability throughout the production process shall confirm this prerequisite in writing to the Seller prior to manufacture. An additional surcharge may be applied to cater for this requirement at the discretion of the Seller.

4. PRICE OF THE GOODS

4.1 Any price quoted by Seller for the Buyer's purchase of Goods is only valid for a thirty (30) day period or until earlier acceptance thereof by the Buyer.

4.2 Where the Seller agrees to deliver the Goods otherwise than at the Seller's premises, the Buyer shall be liable to pay any and all charges incurred by the Seller for transport and insurance.

4.3 The price charged will be the price listed by Seller at the date of despatch plus value added tax and any other Government duty or tax which is applicable. The Seller reserves the right to alter prices to cover any changes in cost caused by circumstances beyond the Seller's control including but not limited to:

- (a) Changes to the design or specification made by the Buyer.
- (b) Changes in the cost of materials.
- (c) Changes in any other costs including labour costs.
- (d) Insufficient or defective instructions from the Buyer or the absence of instructions from the Buyer.

5. TERMS OF PAYMENT

5.1 Unless otherwise agreed in Writing by the Buyer and the Seller, payment shall be due thirty (30) days from the date of invoice. The price shall be paid in full without any deduction and the Buyer shall not be entitled to withhold the price or any part thereof on account of any claim to a set-off or counterclaim, whether arising out of this or any other transaction. All sums due to the Seller under this or any other contract shall be paid on the due date and if the Buyer is in default as regards payment under this or any other contract with the Seller, the Seller may suspend deliveries under this Contract so long as the default continues.

5.2 If the Goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, the Seller shall be entitled to invoice the Buyer for the price of the Goods at any time after the Seller has notified the Buyer that the Goods are ready for collection or (as the case may be) the Seller has tendered delivery of the Goods. The Buyer shall thereafter pay the

price of the Goods within thirty (30) days of the date of any invoice sent by the Seller notwithstanding that delivery may not have taken place as contemplated by Section 5.1 hereof and/or that the property in the Goods has not passed to the Buyer. The time of payment of the price shall be of the essence of the Contract.

5.3 If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to:

- (a) cancel the contract or suspend any further deliveries to the Buyer;
- (b) apportion any payment made by the Buyer to such of the Goods (or the goods supplied under any other contract between the Buyer and the Seller) as the Seller may choose in its sole discretion, notwithstanding any purported appropriation by the Buyer;
- (c) charge the Buyer interest (both before and after any judgement) on the amount unpaid, at the rate of four per cent per annum above Natwest Bank plc base rate in effect from time to time, until payment in full is made; and/or
- (d) repossess the Goods sold under the contract as provided for Section 7.4 hereof.

6. DELIVERY

6.1 Delivery of the Goods shall be made by the Seller delivering the Goods to the Buyer unless in any particular case it is agreed that delivery shall be by the Buyer collecting the goods at the Seller's premises.

6.2 Any dates quoted for delivery of the Goods are approximate only and the Seller shall not be liable for any delay in delivery of the Goods howsoever caused. Time for delivery shall not be of the essence unless previously agreed by the Seller in Writing. The Goods may be delivered by the Seller in advance of the quoted delivery date upon giving reasonable notice to the Buyer.

6.3 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the entire contract as repudiated.

6.4 If the Seller fails to deliver the Goods for any reason other than any cause beyond the Seller's reasonable control or the Buyer's fault, and the Seller is accordingly liable to the Buyer, the Seller's liability shall be limited to the excess (if any) of

- (a) the Buyer's cost (in the least expensive available market) of similar goods to replace those Goods not delivered; over
- (b) the price of the Goods which the Seller has failed to deliver.

6.5 If the Buyer fails to take delivery of the Goods or fails to give the Seller adequate delivery instructions at the time stated for delivery (otherwise than by reason of any cause beyond the Buyer's reasonable control or by reason of the Seller's fault) then, without prejudice to any other right or remedy available to the Seller, the Seller may:

- (a) store the Goods until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage; or
- (b) sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Buyer for the excess received over the price due to the Seller under the Contract, or charge the Buyer for any shortfall incurred below the price due to the Seller under the Contract.

6.6 The Seller shall be notified in writing of non-receipt of the Goods, or damage to the Goods in transit, or any defect in the Goods within 3 days of the Buyer's actual receipt of the Goods, failing which the Seller shall be under no liability whatsoever to the Buyer, who shall nevertheless hold the Seller indemnified against any loss arising or damage suffered through failure to inform carriers or insurers within the required time limits. Any such notice must specify the particular defect or alleged damage and must afford the Seller reasonable opportunity to inspect the Goods in question. If the Goods are agreed by the Seller to be damaged, defective or faulty, the Seller will (at its option) either rectify the damage, defect or fault, replace any such Goods or credit the invoice value of the Goods and such rectification, replacement or credit will be in full satisfaction of any claim by the Buyer. Batches with less than 2% rejects are not returnable and shall be accepted by the Buyer. The Buyer shall not be entitled to reject any Goods supplied by the Seller:

- (a) by reason only of a slight variation in colour shade between one batch and another;
- (b) if the Goods are defective solely by reason of faulty components having been supplied by the Buyer or a third party nominated by the Buyer; or
- (c) if the Goods are defective solely by reason of faulty design for which the Buyer was responsible nor shall the Seller be under any liability in respect or any such variation or defect.

6.7 The Contract shall be deemed to have been fulfilled by the Seller upon delivery of a quantity not less than 90 percent and not more than 110 percent of the quantity specified, and the Buyer shall accept and pay for the actual quantity delivered.

6.8 Any preliminary samples or colour samples supplied by the Seller shall be accepted by the Buyer as supplied solely for information purposes. The supplying of such samples by the Seller shall not give rise to any express or implied conditions or warranties as to the quality, description, colour, fitness for purpose or merchantability of the Goods subsequently delivered by the Seller.

6.9 Any Goods sold as sub-standard or surplus stock shall be accepted by the Buyer in their actual state and condition and neither the obligation accepted by the Seller in Clause 8 hereof nor any other condition or warranty expressed or implied, whether statutory or otherwise, will apply thereto.

6.10 For the purposes of s35 (1) and (2) of the Sale of Goods Act as amended the Buyer agrees that it is reasonable to examine all Goods purchased within 3 days of delivery or collection and shall be deemed to have done so and unless it notifies the Seller in writing otherwise by the end of the working day following such delivery or collection shall by its silence to have intimated to the Seller that it has accepted Goods purchased

7. RISK AND PROPERTY

7.1 Risk of damage to or loss of the Goods shall pass to the Buyer:

- (a) in the case of Goods to be delivered otherwise than at the Seller's premises, at the time of delivery or, if the Buyer wrongfully fails to take delivery of the Goods, the time when the Seller has tendered delivery of the Goods; or
- (b) in the case of Goods to be delivered at the Seller's premises, at the time when the Seller notifies the Buyer that the Goods are available for collection;
- (c) in the case of Goods to be collected by the Buyer or its agent, at the time of collection or, if the Buyer wrongfully fails to collect of the Goods, the time when the Seller has arranged collection of the Goods; or

7.4 Until such time as the property in the Goods passes to the Buyer, the Seller shall be entitled at any time to require the Buyer to deliver up the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer, or any third party where the Goods are stored, and repossess the Goods.

7.5 The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Seller; provided however, if the Buyer pledges or in any way charges any such Goods, all monies owed by the Buyer to the Seller shall (without prejudice to any other right or remedy of the Seller) become immediately due and payable.

8.1 Subject to the conditions set forth below, the Seller warrants that the Goods will correspond with their specification at the time of delivery.

8.2 The above warranty is given by the Seller subject to the following conditions:

8.3 Except as otherwise expressly provided herein, all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent by law.

8.4 Except in respect of death or personal injury caused by the Seller's negligence, the Seller shall not be liable to the Buyer by reason of any representation, or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, or for any other reasons, for any consequential compensation whatsoever (and whether caused by the negligence of the Seller, its employees or agent or otherwise) which arise out of or in connection with the supply of the Goods or their use or resale by the Buyer, except as expressly provided in these Conditions.

8.5 The Seller shall not be liable to the Buyer or be deemed to be in breach of the Contract by reason of any delay in performing, or any failure to perform, any of the Seller's obligations in relation to the Goods, if the delay or failure was due to any cause beyond the Seller's reasonable control.
