

RoHs DECLARATION OF CONFORMITY

(Directives 2011/65/EU)

&

(The Restriction of Use of Certain Hazardous Substances in Electrical & Electronic Equipment Regulations 2012)

This Declaration of Conformity is issued under the sole responsibility of Sinclair & Rush Ltd which confirms that the parts manufactured in the UK, are in conformity with Directive 2011/65/EU of the European Parliament and the Council of 8th June 2011 on the Restriction of Use of Certain Hazardous Substances in Electrical & Electronic Equipment, and do not contain the following:

- Flame Retardants Polybrominated Biphenyl [PBB]
- Polybrominated Diphenyl Ether [PBDE]
- Polychlorinated Biphenyl [PCB]

In addition, we also verify that the following heavy metals are not used in either the formulation or the production processes:

- Cadmium
- Mercury
- Lead
- Hexavalent Chromium

We further confirm that the company does not produce electrical or electronic equipment.
